

Referral Program

First, we would like to say thank you to everyone that has sent [Peace of Mind, Body & Soul](#) referrals. It is truly appreciated and feel it is the highest compliment that we can receive from a client. Your loyalty and belief in what we do to help animals and people is genuinely treasured. Receiving referrals is the best way for any business to grow and we understand the value and importance of upholding the commitment to customer service. We take pride in the work we do and take ownership in every client.

We understand that most people feel more comfortable contacting a company when it is based on a recommendation from someone they know and trust. To show our gratitude and appreciation for passing along new clients, you can choose from a couple options when you refer a new client to Peace of Mind, Body & Soul.

Referral program options:

- **\$1.00/minute animal communication session**
- **\$10.00 off an equine massage**
- **\$5.00 off a canine massage**

These offers may be used at the time the referral is given or saved for a later date; however they cannot be combined with other offers.

Thank you again for your support and loyalty to Peace of Mind, Body & Soul.

Kind regards,

~Jenny
